PROGRAM DETAILS

Standard \$200 deductible per component with an Optional buy-down to \$100 or \$50.

[Only 1 out of 5 claims will require repairs to multiple components. By having a deductible per component, we can lower the cost of the program while providing value to the customer.]

Up to 36 months and 36,000 mile terms are available.

[Term Expiration is determined by adding term months to date of sale and term miles to odometer reading at time of sale.]

Eligibility is current plus 11 model years and 150,000 miles.

Lifetime Limit of Liability is the purchase price of the vehicle.

[There are no limits to the number of filed claims during the life of the Agreement.]

Claim Limit of Liability is set at a maximum of \$2500.

[On average, only 2% of all claims exceed \$2,500. By limiting the maximum claim amount, we can lower the program costs and still provide exceptional value to the customer.]

Program has first day coverage.

Expanded emission coverage includes O₂ Sensor, Mass Air Flow Sensor, EGR System, plus 22 additional parts.

Coverage available for 4x4, AWD, Diesel, Turbo or Supercharged, Tire/Wheel and Body/Suspension lift vehicles.

Optional Surcharge for Seals and Gasket Coverage.
